**ASX RELEASE**

**31 October 2019**

**ASX Code: ABV**

## **Appointment of Chief Financial Officer**

Advanced Braking Technology Limited (ASX:ABV, 'ABT' or the 'Company') is pleased to announce the appointment of Ms Paige Exley to the position of Chief Financial Officer.

Paige is a Chartered Secretary and has over 20 years of experience in financial and management accounting and is in the final stages of her studies to become a Chartered Accountant. Paige was most recently the Company's Financial Controller and her appointment to the role of Chief Financial Officer is effective immediately.

Paige brings significant experience to the position, gained in finance and governance roles with ASX-listed companies in Australia, with domestic and overseas operations, in industries such as resources, mining services, information technology, professional services, not-for-profit and retail.

Paige's prior experience has seen her responsible for business finance functions, asset development, corporate compliance, continuous process improvement, treasury management, capital raisings, investor relations and corporate governance.

The appointment of Paige to the role of Chief Financial Officer is testament to her contribution to the significant progress made to improving the financial performance and corporate governance framework of the Company since she joined in November 2018.
